

Dear Prospective Sponsor,

We are the proud Board Members of the North Marion High School Band Boosters. Our goal is to provide the best opportunities possible for the members of the North Marion High School Band in order to help increase their abilities, confidence, leadership skills and ethics among other skills.

However, with budget cutbacks, increasing numbers, and more rigorous expectations, we are in need of help and would like to invite you to become a supporter of the North Marion High School Band. Sponsorships help generate much-needed revenue for the band to order new instruments, repair older instruments, uniform repairs, order music, and help pay for trips to competitions and festivals. Our students compete in various competitions, march in multiple parades and other activities throughout the year. Attending events such as these is important and allows us the opportunity to provide the band members with experiences and memories that will last a lifetime.

We will be hosting a Bingo in September 2023 to help raise additional funds and would like to ask for donations of monetary value or items for baskets. Your sponsorship will impact the lives of the students for the rest of their lives. Without the assistance of community members and businesses like you, we would not be able to exist to the extent we do.

**What role will you get?**

- **We will list your name on a flyer which will be handed out to all of the attendees as well as in any of the marketing materials we create**

We appreciate any donations that you are willing to contribute to help us meet our goal of hosting the Bingo. Your support truly makes a difference! Donations may be made via:
